JUSTICE BLACK RULES OUT COURT INJUNCTION

Justice Hugo L. Black of the U. S. Supreme Court ruled in Washington Tuesday, in effect, that the name of Rep. Lyndon B. Johnson should be on the Texas general election ballot as Democratic nominee for U. S. Senator.

The justice stayed a temporary injunction which had been issued in Texas by a Federal District Judge keeping Johnson's name off the November ticket.

But his ruling set off more sparks in Texas in the red-hot contest for the Senatorial nomination.

The office of the Secretary of State i nAustin said Johnson's name would not be placed on the ballot until official word came from the U. S. Supreme Court.

Johnson's attorneys promptly made a new attempt in the Texas Supreme Court to force Secretary of State Paul H. Brown to ceritfy Johnson's name as the Democratic nominee.

Brown's office Tuesday had mailed sample ballots to all 254 Texas counties, with the space left blank for the U. S. Senatorial nominee. This blank, was result of the Federal District Court injunction which Black's ruling left toothless.

Johnson's attorneys entered a motion in Texas Supreme Court Tuesday night to refile their original petition and a supplemental petition for a writ of mandamus commanding Brown to certify Johnson's name "forwith" by the quickest means possible (presumably by telegraph).

The petition which they sought to file also names the county election boards as respondents, and asks the court to restrain Coke R. Stevenson from interfering in any manner with certification of Johnson.

It was Stevenson who secured a temporary injunction from U. S. District Judge T. Whitefield Davidson restraining Brown from certifying Johnson. Stevenson's plea was on the basis of alleged fraudulent returns from Jim Wells County.

What Justice Black Said About Texas Ballot Tangle

WASHINGTON, Sept. 28—Justice Hugo Black of the Supreme Court, who today stayed a Federal Court temporary injunction which had blocked the certification of Lyndon B. Johnson as the United States Senator nominee of the Democratic Party in Texas, explained his views at the end of the hearing:

"It's the universal rule in the United States that before a court interferes with an election there must be a statute clearly authorizing it.

"It would be a drastic break with the past to permit a Federal Judge and the Federal Courts to go into the business of conducting a contest over elections held in a State.

"I think it's impossible to interpret present statutes that Federal Courts may go into a State and suspend its process of electing a Senator or Governor.

"There is no statutory justification of a Federal Court enjoining the steps of an election. I'm going to grant a stay until the full Supreme Court has an opportunity to consider the matter—if it wants to consider it."

It was a temporary injunction granted Coke R. Stevenson by Judge T. Whitfield Davidson in Fort Worth that brought the above opinion from Justice Black.

Giles Ethridge who underwent an operation early Monday morning at Newton Memorial Hospital is reported to be improving. Mr. Ethridge is from Corpus Christi and has many friends in Cameron who wish him a speedy recovery.

Fiddle Made in Japan On Display at Herald Plant; Wt. 12 Ounces

A violin made in Japan and weighing 12 ounces is on display at The Herald plant.

The fiddle belongs to W. M. Brown of Maysfield. He bought the instrument some years ago. It has a very fine tone and Mr. Brown thinks it is a good one. He collects violins and is a piano player. He also plays the fiddle some but says he is out of practice.

The Japanese violin is for sale. Mr. Brown brought it to The Herald and said that anyone interested would be welcome to see the violin and make an offer.

Cameron Newspapers Snubbed; They Get No Press Passes in 1948

Cameron newspapers were snubbed this year by the Athletic set up at the school. No press passes were issued, but other passes were issued.

Just why the newspapers were ignored was not understood.

It has been customary for newspaper personnel to receive the usual passes to football games but neither the Cameron Enterprise or The Herald were included this year.

Motorists Cautioned About Passing Buses Carrying Students

The driver of a vehicle upon a highway outside of a business or residence district upon meeting or overtaking from either direction any school bus which has stopped on the highway for the purpose of receiving or discharging any school children shall stop the vehicle immediately before passing the school bus but may then preceed past such school bus at a speed which is prudent, not exceeding ten miles per hour, and with due caution for the safety of such children.

Wreck Victims Are Still in Serious Condition Here

Mrs. Jimmy D. Chapman and daughter, Emma Sue, 7, who were injured in an auto crash early Friday evening on Highway 77 south of Rockdale, were reported to have shown some improvement late Monday.

Emma Sue, the more seriously injured, is still unconscious. Her father Jimmy D. Chapman was instantly killed in the wreck that involved 3 cars.

Weasel Is Killed On Blankenship Farm At Buckholts

A fine specimen of Weasel was killed Monday night by Keith Blankenship on his farm near Buckholts. He operates a barber shop in Santa Fe town.

The Weasel was brought to The Herald early this morning by Bill Richter on request of Mrs. Ben Kennon. It could not be readily identified by a number who saw it and was brought to the newspaper plant to be classified.

The Weasel is a very bloodthirsty animal and when shot was attacking chickens. They are small and are kin to the otter but are not much larger than a squirrel. They are not numerous in this area and are native principally in Europe.

Each candidate for the place is campaigning actively to win wotes, and the townspeople are asked to give a helping hand to the girls of their choice.

HUNDREDS ENJOY BIG BARBECUE PROGRAM

H. H. Coffield was host to Boy Scouts and hundreds of invited adult guests at his Friendship Ranch Thursday night, September 23.

Scouts attended from Milam County District of which Mr. Coffield is President. In addition were their parents and all members of the Heart O' Texas Council and their guests. Some 2000 people were present for the barbecue which followed a program arranged Mr. Coffield with Jimmy Jefferies, famous radio announcer and entertainer, directing

The Coffield Ranch at Friendship has become the center for major Scout events and Mr. Coffield, celebrated as the No. 1 host of Scoutdom. The host duties of Mr. Coffield on this occasion led him in one of his famed manifestations of hospitality to provide one of the most enjoyable program in years.

The Coffield Ranch, a large body of land south of Buckholts overlooks the River bottoms with ranch houses sprawling in unique and lazy fashion on a sloping hilltop. Nearby a lake provides facilities for swimming and water events peculiar to contests among troops who annually look forward to this splendid entertainment

Milam County Scout troops took part in a seven event swimming meet preceding the annual meeting of the Heart O' Texas Council. The Scouts had a brief get together in informal fashion until around 6 p. m. when three famed Rodeo performers from Fort Worth staged a trick riding and roping program. The Lamb Sisters were there for a demonstration of roping and trick riding and Will Winters had his famous horse "Cimmeron" do tricks and that pleased the Scouts and the adult guests who formed lines to make an arena as Jimmy Jefferies kept up a rapid fire of witticism from the micraphone on the speakers platform.

At the conclusion of this program long lines were formed and the march began to the barbecue tables. It was estimated that some 2000 enjoyed old fashioned barbecue supplemented with cold drinks and ice cream issued from a large refrigeration truck and all this courtesy of Mr. Coffield.

The Council at its business session held election of officers. Mr. Coffield was re-elected Area President. Jim Gaskin read his report as Area Executive.

Three received recognition at this session for outstanding contributions to Scouting and were given the Silver Beaver award. They are Messrs Engle of Temple and Ward of Shilo and H. D. Maxwell of Rockdale.

Emory B. Camp of Cameron in an address made an appeal to parents and adults to take a more active interest in scouting and to give more of their time. He said this is the best answer in America to-day to the youth problem.

It was announced that there are nine Scout Troops in Milam county district and a like number of Cub organizations. Scouting had has its most important developments under the Presidency of Mr. Coffield with large mmbership increases in the past year.

Drunkenness Tapers Off; We Have Only 6

Drunkenness tapered off over the week end with only 6 reported with cases filed.

Five cases were filed in city court and one was filed in Justice Court.

Usually the minimum fine is assessed. In that case it costs the drunk $14.00

The city received $1.00 the arresting officer $5.00 and the City Attorney $5.00. The Mayor receives $3.00. In case the drunk is placed in jail and is fed two meals the city has a loss on the case.

FIRST READING SENDS ORDINANCE ON WAY

Telephone rates in Cameron will be increased, it was indicated when the Council passed to its first reading an ordinance to grant the company's request.

Application to increase rates was filed with the Council on Tuesday night by Southwestern Bell Telephone Company representatives.

The major increase in local rates apply to business telephones. These units will bear an increase of 5c per day. Residence telephones will be increased 2c per day and party line phones 1c per day.

The passage of the order to authorize the company to make the increase has to follow a routine of two or three seperate readings. The Council is handling the ordinance in the accustomed manner.

The increase in rates would take effect within 30 days after the passage of the ordinance, or on the next billing.

Present phone rates were put into effect in 1930 and have not been increased since that time. The company is taking a large annual loss on present rates. The Council regards the application as reasonable and just and will grant the increase.

C. L. Carson, Manager from Taylor, was here and issued a statement outlining the need for the increased rates. Two new switchboards are being installed and the company also is making an expansion to serve some 150 rural customers at this time, with plans for a larger outlet in a short time.

MARCHING CONTEST TO BE UNIQUE EXHIBITION

By FRANCIS COX

The people of Cameron will see a field exhibition utterly new to them when they assemble at the Yoe High Athletic Stadium on the night of October 30 to witness the Region III Band Marching Contest.

The Contest is composed of two parts, the "Inspection", and the actual field drill. The Inspection is done at the head of the field just outside the boundary markers. Here the Inspection judge reviews the bands on the following points: "Neatness and uniformity of dress, condition of instruments, accomplishment of stationary commands, alertness to instructions, and flexibility". These points are rigidly stated and followed in the Inspection. The Inspection is strictly military in character, and is a rather trying ordeal for the essentially civilian members of the usual high school band.

The Inspection judge for the coming contest is to be Col. Richard J. Dunn, retired, long-time director of the famed A&M College Bands until his retirement two years ago. The other contest judges will be Dr. R. A. Tampke, Director of Music, STSTC San Marcos, and Mr. Weldon Covington, Director of Music, Austin Public Schools, Austin.

(Next week, I will describe the field drills as the audience will see them).

Baptist Get New Choir Director

Tom Cole of Baylor University is new choir director at First Baptist Church.

Mr. Cole is in the graduate school of music at the University.

Choir rehearsals will be held each Sunday afternoon at 2:00 p. m. at the Church. Ray Burke has been named assistant choir leader, Mrs. Francis Cox organist and Mrs. C. W. Bradbury assistant organist. Mr. Burke is also president of the choir and Milton Schiller is vice-president. A business meeting was held Sunday

HIGHWAY 77 SCENE OF WRECK LATE FRIDAY

(From the Daily)

One man is dead and three were injured in a car crash on Highway 77 south of Rockdale around 6:50 p. m. Friday.

Jimmy D. Chapman of Lone Oak, Texas, was intsantly killed and his 12 year old daughter was critically injured and Mrs. Chapman was taken from the scene of the wreck unconscious.

W. L. Sanders of Rockdale, driver of the other car was severly injured.

All injured from the wreck are in St. Edwards Hospital in Cameron. Relatives of the dead man were notified and were due in Cameron early Saturday.

Jack Gaines, Texas Highway Patrol, was called to investigate the wreck and said Saturday morning he had since received a report that a third car was involved. Patrolman Gaines said that the 12 year old girl appeared to be in a most critical condition, more seriously injured than her mother. Gaines said he would go to the hospital here Saturday morning in the hope that Mrs. Chapman might be able to talk. She was unconscious when taken in at the hospital and it was believed had remained in a coma throughout the night.

Patrolman Gaines said the crash, apparently head on, occured about 11 miles south of Rockdale on the highway leading to Lexington. He said that the Chapman car was going south and the Sanders car was traveling north. Both cars were practically demolished.

Sanders was said to have received severe injuries to the head and chest. Mrs. Chapman and her daughter were so critically injured physicians were unable to say whether they would survive.

THREE FOURTHS LOCAL COTTON IN US LOAN

Cotton farmers in Milam county have sold only seven and a half per cent of their crop this year and 75 per cent of the crop has gone into the government loan, it was announced by A. E. Sanders, AAA director here.

Mr. Sanders says that 17 and one half per cent of the cotton harvested is still in storage. The bulk of the crop has been harvested.

It was estimated that the percentage of cotton in the government loan pool is the largest in the history of the county.

Alabamans Are Here To Visit Cameron Relatives For Week

John Carter and nephew, Lehmon Black of Arab, Alabama, are in Cameron for a few days visit with relatives.

Tuesday they were guests of Mr. and Mrs. Grady Allen. They are relatives. Mr. Carter is a school teacher in Marshall county, Alabama and Mr. Black is in the furniture business in Arab.

Among the relatives in Cameron are G. W. Allen, 92 year old father of Grady Allen who was born in Marshall county, Alabama and came out to Texas when a young man.

Mr. and Mrs. Baxter Hughes of Freeport are here to visit during the stay of Mr. Carter and Mr. Black. The Hughes are related to the Allens.

Carter and Black are related to the Hensley families at Ad Hall and Milano and also to the family of Mr. and Mrs. Homer Allen.

Mrs. Anton Hutka and two sons of Buckholts were welcomed visitors in Cameron one day this week.

CC MANAGER GOING TO NEW BRAUNFELS

(From the Daily)

L. G. Smith, manager of the Chamber of Commerce, it was understood by the Daily Herald, was prepared to tender his resignation to the Board of Directors at a meeting which was to be held at 2 p. m. Monday.

Mr. Smith could not be located around noon. It was understood that he has been offered the position of Manager of the Chamber of Commerce in New Braunsfels. Mr. Smith is understood to have confered with there last week and has been notified that he has been approved for the place.

Mr. Smith has been manager of the Chamber of Commerce here for some time. He came to Cameron from Henderson in East Texas. His home is in Bryan.

It was understood that Mr. Smith would leave the city in early October. His work here has been appreciated by many. The Herald will ask Mr. Smith to make a statement for publication on Tuesday.

MARAK PICNIC SUNDAY OUTSTANDING SUCCESS

(From the Daily)

The annual picnic at Marak sponsored by SS. Cyril and Methodius Church, was an outstanding success.

Father Ben Holub of the Parish, has written a letter to The Herald in which he expresses the thanks of all the members as well as himself for the success of the picnic, "Will you kindly thank all the people who came, bought and donated."

The Herald regerets this thanks did not reach the columns of the Weekly but will be printed next week. In the meantime this is being published in the Daily since so many here in the city attended and gave for the success of the picnic.

Continuing his letter Father Holub says: "Because of the fact that our own parishoners donated all the meat, nine bales of cotton and articles for auction and most of the articles for our bingo game, and with the unsolicited aid of the many Cameron business men, the picnic was a huge success. The net income is about five thousand dollars. We especially appreciate the many favorable comments."

BETTY BOYD REPORTED AS SERIOUSLY ILL

Polio had struck again in Cameron Friday.

Betty Boyd, 16 year old daughter of Mrs. Mattie Boyd of Cameron, is in the Crippled Childrens Hospital in Waco and a report early Saturday said she was very ill.

Miss Boyd was employed at the Weidemann Pastry Shop in Cameron and became ill early Friday morning. Dr. J. L. Walker, physician here did not diagnose the case as poleomilitis but sent the patient to Waco. He strongly suspected Polio.

Mrs. Boyd, mother of Betty, is reported to have called the hospital early Saturday morning and was told her daughter had infantile paralysis and was quit ill.

The Daily Herald telephoned the hospital in Waco at 10:30 a. m. Saturday to inquire about Miss Boyd and to officially verify the diagnosis. Miss Boyd, the physician said, was quite ill.

Since not sufficient time had elapsed for the health authorities here to assemble the facts in the case, it was not possible to get all information locally in time for the Saturday edition of the Daily Herald.

BAND SWEETHEART IS TO BE CHOSEN SOON

The contest will run for 10 days, closing Saturday night, October 1 at 8 o'clock. The girl elected as sweetheart will be presented at the first home football game after the election closes.

J. T. Krull was a business visitor in Cameron recently.

Recently the Board of Education of First Methodist Church re-organized for the coming new Church School year. Charlie Elkins was elected chairman and Mrs. Charlie Nabours was elected secretary.

Stanley and Sarah Swift To Colleges In Pennsylvania

Stanley Swift, Jr., has left his Cameron home to enroll in the Hill School in Pottstown, Pennsylvania.

Sarah Swift has enrolled in the Baldwin School, Bryan Mawr, Pennsylvania.

They are son and daughter of Mr. and Mrs. Stanley Swift of Cameron, both graduates of the high school here. Sarah graduated ahead of Stanley, Jr., and has one year of college prior to enrollment in the Baldwin School.

E. A. Camp in Temple For Second Operation

E. A. Camp of Rockdale, widely known Texas Attorney is in Scott & White hospital in Temple.

Mr. Camp was operated on several months ago and is now back for surgery again. His condition was reported favorable Friday.

Emory B. Camp, son, was in Temple Wednesday and reported that his father was doing alright. Mr. Camp, it was understood, has a stomach ailment which has required surgery a second time.

Judge Davidson also set up federal inquiries into the alleged election frauds in south Texas.

CALL 282

RESIGNATIONS TO BE EFFECTIVE DECEMBER 1

Mr. and Mrs. Homer Allen, managers at the County Poor Farm, early Friday handed Judge Dan Tyson a letter stating they will leave the farm on December 1, 1948.

Mr. and Mrs. Allen began their work at the Poor Farm in February of 1947. They have made repeated requests for improvements to provide decent living conditions for the inmates but the Commissioners Court has ignored those requests, according to their letter.

Recently wide conditions there led to a protest from citizens led by Mrs. W. O. Driggs and others, before the court. Mr. and Mrs. Allen stated they could not find the heart to go on under such conditions. They said they would leave and they are now going to leave the farm on December 1.

Mr. and Mrs. Allen have not been asked to leave the farm. They are simply keeping their word and the people should now realize how very bad conditions are out there. Mr. and Mrs. Allen regret they must leave the farm because they feel deeply for the old people there who live from day to day with little hope for relief.

Mrs. Allen said: "We have devoted some 14 hours a day to the task of keeping the place as clean as possible but we cannot go on with this responsibility any longer. We invited many citizens out to the farm to see for themselves. Many came away weeping. We feel we cannot do the

(continued from page one)

things that are needed because we have so little in the way of housing and comforts to give the old people. We did not want people to accept what we said about things here but asked them to come and see for themselves."

Mr. and Mrs. Allen have never received one cent for their work. They were given the big house to live in (not much of a house) and their board and utilities. A farm of 240 acres lies in ruins all about the filthy shacks where the inmates live.

As predicted by The Herald nothing will be done about this condition.

The court, since the protest meeting and the petitions, has so far as known made no public reply and the minutes disclose that the matter was refered to the court. This has been the way of all protests and pleas say the Allens.

Here is the letter handed Judge Tyson Friday morning:

September 14, 1948

To The Honorable County Judge, Dan Tyson,

Dear Sir:

"Since the court has repeatedly ignored our request for better conditions here at the County Poor Farm, we therefore give the court notice of our resignation, effective December 1, 1948."

Mr. and Mrs. Homer Allen.

ALL HOPE APPEARS LOST FOR AGREEMENT

A final note has been sent to Moscow by the governments of the United States, Britain and France asking in effect "Will you or will you not accept 3 power control of Berlin?"

The Western powers, in the event no satisfactory reply is received will throw the whole matter to the United Nations now in session in Berlin.

French Foreign Minister Robert Schuman persuaded Secretary of State Marshall and Ernest Bevin, British Foreign Secretary, to make one final appeal for agreement.

There was little feeling anywhere that the Reds would agree. Meanwhile Chief Delegate Vishinsky for the Russians was denouncing Western powers in Paris.

There was little doubt a final show down was at hand.

Junior Yoelets In Scoring Spree Here Defeat Thorndale

The Junior Squad from the Yoelet flock here decisively ran away with the ball game Wednesday night and defeated the Thorndale B team 44 to 0 before a cheering section that looked like a regular ball game.

Featured were the backs from the Juniors here. Billy Joe Halpain scored 2 touchdowns with 25 and 50 yard sprints. Bobby Bishop ran 20 yards for a score and intercepted a pass and ran 25 yards for another. Ray Thompson scored on a 20 yard run and Henry Heath for the thrill play of the game toted the ball 60 yards in a brilliant run for a score.

Standouts in the line were Billy Angell, John Balcar, Johnnie Green, Dell Rinn, Pete Tindall, Frank Somers and Beale.

Mrs. W. H. Cypert has returned to her home after attending the funeral of her sister in Purcell, Oklahoma.

NOMINEE APPEALS TO NEW ORLEANS COURT

(From the Daily)

Judge Whit Davidson Wednesday night ruled Lyndon Johnson off the November ballot as Democratic Nominee for United States Senator pending investigation of voting in three south Texas counties.

Attorneys for Johnson immediately began perfecting an appeal to the Circuit Court in New Orleans.

Former Governor Coke Stevenson brought suit to restrain the Secretary of State from certifying Johnson, had won the right to parade witnesses and testimony was already under way.

It appeared that no final decision would be made in time to include a nominee on the November 2nd ballot. In that case a write in was up to the voters.

Third Car Involved In Fatal Wreck on Highway 77 Friday

Jack Gaines, highway patrolman, stationed in Cameron, told The Daily Herald late Saturday that a third car had been involved in the car crash that took the life of one person and injured 3 more on Highawy 77 south of Rockdale early Friday evening.

Jimmie D. Chapman of Lone Oak was killed instantly and Mrs. Chapman and their 7 year old daughter were critically injured. W. L. Sanders of Rockdale was also injured.

Patrolman Gaines could not be contacted early Monday and it was not known who was involved with the third car.

Mrs. W. J. Rice is in Kilgore at the bedside of her brother, Waddell Pitts who is in a hospital there. Mr. Pitts is recovering nicely and Mrs. Rice is expected home in a few days.

LOCAL DEALER DISPLAYS NEW 1949 KAISER CAR

The first extensive model change in an American automobile designed since the war was announced today by Kaiser-Frazer Corp. with the introduction of the 1949 Kaiser Special and DeLuxe sedans. Maysfield Mercantile Co., local dealers, have one of the new cars on display.

Incorporating more than a hundred improvements in styling and mechanical features, the four-door models are in full production at the Willow Run plant and went on display in K-F dealer showrooms throughout the country Monday, September 20.

Edgar F. Kaiser, vice president and general manager, said that engineering and tooling costs involved an exdescribed the 1949 models as representing "far more than the auto industry's traditional 'facelifting'."

"The new cars are the result of constant research in the two years since K-F automobiles were first introduced," Mr. Kaiser said. "Since August, 1946, more than 250,000 owners have recorded over two billion miles on our cars. We have put this owner driving experience to work in our engineering departments to devolop a better product."

The K-F executive said that the first 1949 model was No. 279,195 in the accumulative grand total of cars turned out by Kaiser-Frazier, fourth largest passenger car produced.

The first of the '49's was produced on August 24, immediately following output of the last 1948 model, he disclosed. Months of tooling and scheduling of parts into the plant were involved in getting the new models on the lines with a minimum loss of production, he said.

Mr. Kaiser cited the following as the major features of the new cars:

1. An increase from 100 to 112 horsepower in the Kaiser DeLuxe six cylinder engine with no loss of fuel economy.

2. Simplified clutch, steering, accelerator, and brake mechanisms. Fifty-two parts have been eliminated through development of an exclusive K-F clutch linkage.

3. A restyled body with a silhouette three inches lower in appearance than in previous models. A new grille, bumpers, fenders, hood and other body panels are among styling changes.

4. Completely redesigned interiors with new instrument panels and a color-styling program of unprecedented variety in the auto industry.

Your Most Important Right

Now that the bandstand has been painted, and the park re-landscaped, we have about the nicest village green in the county.

And it's all because, at the last town election, folks got out and *voted*—85 per cent of them! That way, they passed the amendment calling for park improvements—over those opposing it.

Reminds you again how important the right to vote is in this country. And it's a right we can retain only by exercising it! . . . like all the other individual liberties—from freedom to enjoy a glass of beer or ale, to a woman's right to vote along with men.

Folks can thank *themselves* that on summer evenings they'll be able to listen to band concerts in a well-kept park . . . enjoying a bottle of beer or soda pop (whichever they prefer). Because from where I sit, that's a freedom they've *earned* by exercising a still more important freedom: Voting!

Top favorite car with America's youngsters

The new Studebaker is their idea of something "super" in an automobile!

"LOOK! THEY'VE GOT A NEW STUDEBAKER!" What sheer delight a youngster's voice can put into those words!

Yes, the dreamlined Studebaker is the magic car of all the cars to most of the nation's school children.

When you hear them say, "It looks a little like a new Studebaker" they're giving a lot of praise to any car.

Take a tip from keen-eyed young America! Look and compare!

There's nothing like Studebaker's flight-streamed new sedans, coupes, convertibles—style stars of all cars.

That Something Extra

Yes, there is a difference in newspapers. That EXTRA quality in news reporting you find in The Herald is one reason why its circulation is large, and THE reason that so many have been reading it for years.

Just good reporting is not enough. The Herald does and say things. No newspaper is worth its salt that never gets around to expressing an opinion, informing the people or warning them of things to come. No story in the long history of this old newspaper has ever been written on a cash register.

Tell your neighbor he can now subscribe for The Herald. We are taking on new readers after months of delay.

NOVEMBER WRITE IN NOW SEEMS PROBABLE

(From the Daily)

Federal Circuit Judge J. C. Hutcheson, Jr., tonight held he does not have authority to stay execution of an injunction which prevents Lyndon Johnson's name from being placed on the November election ballot as the Democratic U. S. senatorial nominee.

Hutcheson said the full U. S. Fifth Circuit Court of Appeals, of which he is presiding officer, will hear the case in Atlanta October 4.

Following receipt of Hutcheson's formal ruling, attorneys for Johnson said they did not know immediately what their next step will be.

They said they have either of two courses:

1. They can go to the United States Supreme Court in Washington.

2. They can try to obtain a little-used writ of prohibition, putting their argument on paper and sending copies around to individual members of the five-man Court of Appeals for a decision.

The injunction which brought about today's hearing was signed yesterday by Federal District Judge T. Whitfield Davidson in Dallas. It granted Stevenson's petition that the secretary of state be restrained from placing Johnson's name on the November 2 general election ballot.

State statutes require that the ballot be completed by October 3.

Like the circuit court, however, the Supreme Court does not meet until October 4.

Johnson's attorneys tonight were of the opinion, however, the appeal could be made to Justice Black, Supreme Court member in charge of the fifth circuit, and that he would be asked to do what Hutcheson declined to do.

During today's proceedings, Hutcheson said that, under the rules of his court, he thought relief could be obtained just about as quickly through an October 4 hearing of the appeal on its merits as by the writ prohibition process.

Any Lincoln Head Penny Worth "Big Money" At Milam Drug Co. Walgreen Agency Drug Store

Remembering when a penny was big money—worth two jaw-breakers or a big sack of gumdrops? Well it has again come into its own as "big money" in the famous 1c Sale to be held at the Milam Drug Co., Walgreen Agency Drug Store here this Wednesday, Thursday, Friday and Saturday.

Yes, those little coppers, now usually worth only six nuts at a peanut machine, can be worth real money to you in drugs, cosmetics, vitamins and other vital home needs at Milam Drug Co.'s store. You can buy TWO of any of the hundreds of one-cent sale items for only a penny more than the regular everyday selling price of one. In other words, that copper cent can mean an extra bottle of vitamins or an additional cosmetic item for you!

"Profitable purchases" like these are unlimited. But no matter whether you leave the store with a full shopping bag or with only one purchase, your savings will have been almost doubled.

UNFORTUNATES

They sit and hold their feeble hands
Their only crime is age
They played their parts and did their best
On Life's great crowded stage.

Soon Winter's winds will chill the bone
And seek to enter in,
There's nothing which will help atone,
Poverty is their greatest sin!

Strong men may weep and women cry
This will not right the wrong
For we are guilty if they die;
We who are well and strong!

Let's put ourselves into their place
If justice shall endure
And care for them with Christian grace
In this "Prison for the Poor."

BEARD CASE IS SET FOR OCTOBER 4TH

Trial of Lonnie Beard, charged with murder in connection with the fatal shooting of his son-in-law, Noel D. Martin, is scheduled for October 4 in District Court here.

The case was originally set for trial in September but was continued on application of defense attorney.

Following the shooting the Grand Jury was recalled here by Judge John Watson and Beard was indicted.

The shooting occured on the night of July 13 in the yard of the Beard home near Conoley. It was said by officers who investigated that Beard and his son-in-law had quarreled. They had been in Thorndale and were drinking. Mrs. Martin is Beard's daughter, and with her husband had been visiting in the Beard home.

That night after they had returned from Thorndale, still quarreling Martin summoned his wife and they set out for their home near Roundrock in Williamson county. A short way out Martin turned back and as he entered the yard of the Beard home he was shot down by Beard. Rushed to a Taylor hospital he died shorty after.

Beard was placed under arrest by Sheriff Carl C. Black shortly after the shooting occured.

W. C. Wofford of Taylor will defend Beard and Earl Shelton of Austin has been retained as a special prosecutor to assist County Attorney Morrison.

Mr. and Mrs. W. W. Caddell of Buckholts visited in Cameron Saturday. Mr. Caddell recently returned from a visit with his children, Mr. and Mrs. Roy Duncan at Willspoint.

Friends of Mrs. Henry McLane will be happy to know that she is improving nicely after undergoing a major operation in Temple last Thursday.

THINGS NOT TO DO LISTED BY FIREMEN

We the Cameron Volunteer Firemen are making an honest effort to be of service to you, in the prevention of fires, and this is our reason for calling your attention to fire prevention.

We wish to remind you that it is too late to prevent a fire after it has occured. The primary reason for Fire prevention is to point out to you some ways whereby you can be instrumental in helping the firemen reduce fire hazards. By reducing the hazards we reduce our losses caused by fire.

Fire prevention is an individual matter. It's up to the property owner, the employe, in short it's to you. It's your problem as much as it's any one elses, therefore, we the Volunteer Firemen of Cameron request that you make a complete inspection of your premises and rid them of all hazards. By complying with this request you may save a life, limb, or your home.

We further request that while installing your winter appliances, make a complete check of flues, gas hose electrical devices, wiring, stoves, furnaces. Be careful with matches inflamables. Have defective wiring, sockets and other outlets replaced. Pay special attention to points where cords enter appliances. Extension lamp cords for out door use should have guards around lamp. Avoid handling electrical equipment with wet hands. Use only fuses of the proper arting and don't allow the fuses or fuse box to be tampered with. Keeping a supply of labeled fuses on hand will avoid the temptation to use a "penny" or other dangerous substitutes as a fuse. Too many appliances on the same circuit at the same time will cause the fuse to blow. If this is a common annoyance, have another or heavier circuit installed. If in doubt ask your electrical inspector.

Do not allow litter and rubbish to accumulate, stop and think before you drop that lighted match or cigarette, careless use of matches and smoking materials cause nearly 30 per cent of our fires. You are not immune to these tragedies, fire is racing over the nation at the most alarming rate of destruction ever recorded. Any loss is tragic, more and more useful property is wasted in preventable fires.

This critical problem can only be met by the individual in united effort by constant caution and serious effort to prevent fire, wherever fire can start. With the present increase in the number of fires, and the amount of fire losses, it is essential that everyone do his part each day of the year to prevent fire.

KING CROP IS GIVEN FAVORABLE POSITION

WASHINGTON, Sept. 28—Secretary of Agriculture Brannan said today that farmers will be permitted to produce cotton free of Government crop controls again next year.

This year's big crop has boosted supplies to such a level there was some question whether it would be necessary to invoke control to restrict production in 1949.

The Agricultural Adjustment Act of 1938 requires the secretary to proclaim marketing quotas when supplies surpass the co-called normal supply by more than 7 per cent.

In a formal announcement issued by the department, Brannan said this season's supply totals 19,164,000 running bales. The normal supply was put at 18,200,000. If the total had been 310,000 bales more, controls would have been required on the 1948. crop.

Under the control program the department tells each grower how much cotton he may sell. Excess sales are subject to a stiff penalty tax. Controls, however, must be approved by at least two-thirds of the growers voting at a referendum.

Cotton production has been free of Federal controls since before the war.

CITY BUDGET IS CUT SLIGHTLY TUESDAY

The city's budget for the next fiscal year beginning January 1 has been slightly reduced over the 1948 amount, it was announced by W. H. Stafford, City Secretary, who prepared the budget.

The 1947 budget was $61,352 and the 1948 adoption is $60,866 or $486 less. Mr. Stafford said the budget was adopted liberally as a matter of good financing but the council hopes to operate on less and to bring the city back to a cash basis by the end of the next fiscal period.

The budget of $60,866 applies to the genera! fund and does not include the funded debt. Substantially $5000 per month will be required to pay the running expenses of the government.

The Council made no cut to allow for possible public improvements so badly needed but the plan is to bring the expenditures well below the estimated needs and in time the city would get around to allowing for something more enduring than overhead. High costs have operated against the city like all other business enterprises and a 10c increase in the tax rate was voted by the council. The total rate is now $2.35 with 75c going to the schools and 40c going to process bonds. The general fund has an all time high levy of $1.20.

Battetown WMU Here Names New Officers Tuesday Night

WESTERN POWERS TO BRAND REDS OUTLAWS

In the gravest decision since declaration of war on the Axis Powers the Western Allies have broken off negotiations with Russia over the control of Berlin and formally accused the Soviet as a threat to international peace.

The United States, Britain, France and China, informed the Russians they would be formally accused before the United Nations Security Council as a violator of that pact and prepared to press the charges in Paris.

The accusation was in a note which the three governments jointly prepared and which the State Department sent to the Soviet Embassy here; it further accused the Soviets of going back on an agreement for lifting the Berlin blockade which envoys to the three Western powers worked out with Premier Stalin personally and with Foreign Minister Molotov in Moscow in August.

The State Department released the text of the American note for publication at 11 p. m., an hour at which officials said the British and French were delivering their identical notes to th Soviet Emassies in Paris and London.

Repeatedly, in the notes, the Western powers charged that Russia was responsible for bringing the Berlin crisis to the present stage of such extreme gravity that it "constitutes a threat to international peace and security."

Grimly they also warned Russia that they fully reserved to themselves the right to take whatever measures they may consider necessary to maintain their position in the German capital and to prevent the Russians from accomplishing "absolute authority over the economic political and social life of the people of Berlin" and incorporating it in the Soviet Zone.

The Western position was summed up in these words:

"The issue is that the Soviet Government has clearly shown by its actions that it is attempting by illegal and coercive measures in disregard of its obligations to secure political objectives to which it is not entitled and which it could not achieve by peaceful means.

"It has resorted to blockade measures. It has threatened the Berlin population with starvation, disease and economic ruin; it has tolerated disorders and attempted to overthrow the newly-elected municipal Government in Berlin.

"The attitude and conduct of the Soviet Governmont reveal sharply its purpose to continue its illegal and coercive blockade and its unlawful action designed to reduce the status of the United States, the United Kingdom and France as occupying powers in Berlin to one of complete subordination to Soviet rule and thus to obtain absolute authority over the economic, political and social life of the people of Berlin and to incorporate the city in the Soviet zone."

The Western powers declared that Russia had by its action assumed "sole responsibility" for creating a situation which makes further direct negotiations impossible and causes the "threat" to peace.

Mr. and Mrs. Jesse Strickler and RCT. Ervin Heugatter spent the past week end in the home of Mr. and Mrs. Glenn Gamble of Austin. Rct. Huegatter left Sunday to report for duty in San Antonio. He will go over seas some time in the near future.

NEGRO IS NEAR DEATH FROM GUNSHOT WOUND

(From the Daily)

William King, negro, is near death in St. Edwards Hospital in Cameron from a gunshot wound inflicted Thursday night on the Sneed Farm near Jones Prairie.

Sheriff Carl C. Black placed James Franklin, another negro, under arrest and charges have been filed for assault with intent to murder. Proceedings in the case are awaiting the outcome of the wounded man's condition.

According to Sheriff Black the shooting followed an argument at the King home. He said the negroes were playing a game of Hiss and from that the trouble ensued. A number of negroes were at the King house and early in the evening trouble arose between Franklin and King.

Franklin shot King with a double barrel shot gun. The shot entered King's stomach, the load being partly retarded by his belt.

King was rushed to the hospital here where an operation was performed. Surgeons were not certain he would live. He had shown some improvement by Friday morning.

Franklin is in jail awaiting disposition of his case.

Chapmanns Are Home From California; Was Vacation Trip

Mr. and Mrs. Willard Chapmann and Forrest Gilbert have returned from a two weeks trip to California. While there they were visitors in the home of Mr. and Mrs. Chapmann's son, Jessie Chapmann and family.

They report a wonderful trip and told of the different kinds of fruit now in abundance in that state. Mrs. Chapmann took advantage o fthe opportunity and canned some peaches. Mr. Chapmann presented the Editor with some of the luscious fruit, two very large peaches. Mr. Chapmann said these types of peaches were in abundance everywhere.

Mr. and Mrs. Chapmann recently purchased a home in Cameron on North Travis Street and are now living here. The people of Cameron are happy to number them among residents.

TUNE IT FOR FALL CROPS... like that!

The secret of fall harvesting is to adjust the cylinder speed *instantly* for varying moisture conditions that change from hour to hour. The All-Crop harvester's Quick Speed-Changer makes it as easy as tuning your radio.

Tough conditions require higher speeds to thresh the grain or seeds from heads or pods. Dry, brittle conditions require slower speeds to avoid damage to kernels.

The All-Crop harvester's famous full-width, rubber-faced, spiral-bar cylinder processes the crop gently and thoroughly in a wide, thin stream . . . *at the proper speed to save it all.*

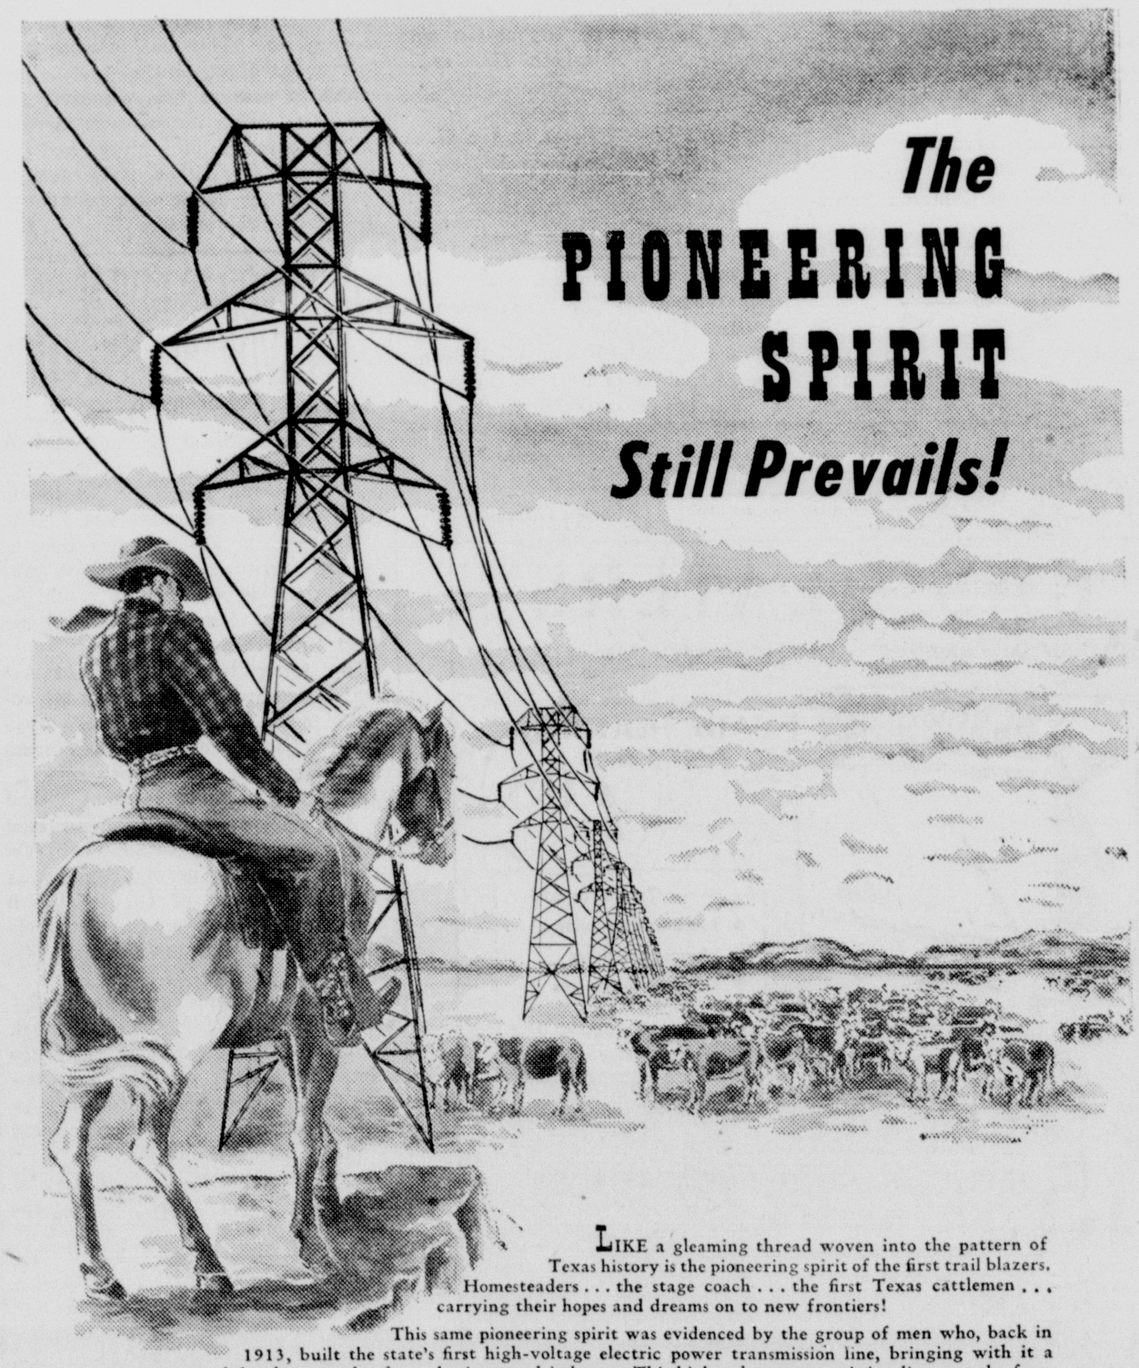
COCA-COLA BOTTLING CO.—Cameron, Texas

© 1948, The Coca-Cola Company



LIKE a gleaming thread woven into the pattern of Texas history is the pioneering spirit of the first trail blazers. Homesteaders . . . the stage coach . . . the first Texas cattlemen . . . carrying their hopes and dreams on to new frontiers!

This same pioneering spirit was evidenced by the group of men who, back in 1913, built the state's first high-voltage electric power transmission line, bringing with it a new era of development for farm, business and industry. This high-voltage transmission line was the forerunner of the network of power lines of Texas Power & Light Company destined to cover a 52-county area in North, Central and East Texas. Through the years, this company has continued to pioneer . . . in rural electrification, in agricultural development and in industrial development.

In the beginning, Texas Power & Light Company served 13 cities and towns. Today, 466 cities, towns and communities in the richest and most populous section of the state are joined together by TP&L's high-voltage transmission lines. More than 235,000 Texans, of whom 68,000 live on farms and in rural areas, enjoy more comfortable, prosperous living through TP&L's low-cost, dependable electric service.

Because of this widespread distribution of electric power, manufacturing plants may locate in the section best suited to their industrial needs . . . and thus take advantage of the wide diversity of Texas' raw materials and natural resources, labor, transportation facilities and the many other advantages found in the state.

Contributing more to a higher standard of living and the furtherance of community prosperity than any other single factor . . . TP&L electric service is vital to the growth and development of the area it serves.

With the foresight and vision of careful business management, this company is constantly planning and preparing for the future needs of the farms, homes, businesses and industries that are making Texas the great state it is today!

LYNDON JOHNSON GETS OK FROM PRESIDENT

By HARRY BLANDING
Temple Telegram

Smiling, confident Harry Truman President of the United States, spoke strongly for the Democratic party, Lyndon Johnson, lower prices, the Leon river dam project, and development of McCloskey VA hospital, in a brief but vigorous talk from the rear platform of his Presidential train here Monday morning.

He lashed strongly at the Republicans, notably the "do nothing, good for nothing 80th congress . . . which did more to you and less for you than any congress ever has!"

He offered no apologies for anything. His manner was that of a man who believes in his heart he is going to win.

Many in the crowd which jammed around the platform at Mr. Truman's invitation exhibited surprise at his strong statement in support of Johnson, who is now locked in a court battle with Coke Stevenson over the Texas senatorial nomination.

"What we need," the President said, delivering his words slowly and clearly, "are more Democratic governors like Beauford Jester here, more Democratic senators like Lyndon Johnson, Democratic congressmen from every district in Texas—and a Democratic congress and President."

Governor Jester stood on the platform with the President, and Mr. Johnson, alighting from the train, stood close by.

Mr. Truman drew laughter from the crowd early in his talk, when he said: "I've heard that the great city of Temple has a law requiring all Presidents to stop here, whether they want to or not. But let me assure you that I was going to stop here anyway, before I heard about the law."

He read a clipping from a Washington newspaper of an Associated Press story from Temple, describing the city council's action in 1904, when an emergency ordinance was passed requiring President Theodore Roosevelt's train to stop here.

"I have heard of your Temple hospitals," the President said. "It was my pleasure to visit McCloskey hospital during the war. I hope we can continue to operate and develop it. It is a fine plant."

Then, to the crowd's cheers, he tied in his attack on high prices wth the hospital theme.

"Our worst ailment today is high prices, and unfortunately hospitlas can't cure them. I wish we could take them to your Temple hospitals and just amputate them, but we can't."

He said, after attacking the 80th congress as a "do nothing" session, that he had repeatedly called for action to bring lower prices, but that the Republicans had refused to go along.

"They don't care about that or anything else unless it puts money in some big rich man's pockets," he gritted, and the crowd gave him a roar of agreement.

"I know about the Leon river dam project you people are so interested in, and I think it's a splendid one. But the Republicans are against such things," he continued.

The President said he had never been given such "hospitable treatment" as in Texas. He thanked Governor Jester, Mr. Johnson, Rep. W. R. Poage and other Texas congressmen for joining him on his trip.

Byron Skelton of Temple, choice of the state Democratic executive committee for national committeeman, introduced Mr. Truman. It is my honor and privilege to present to you the President of the United States," he said simply.

Mr. Poage, introducing Mr. Skelton, praised him for his loyalty and accomplishments in the party, and called Mr. Truman "the leader of our nation and our party . . . a man who has won our high respect . . . the man who will lead us to victory this fall!" The crowd gave that a rousing cheer.

Concluding his talk, Mr. Truman said: "Let me introduce my family. I'll call by boss first." He introduced Mrs. Truman as she came onto the platform from the private car, then daughter Margaret.

Little Sue and Sandra Skelton, daughters of Mr. and Mrs. Skelton, led the Temple reception committee to the platform. They presented large bouquets of roses to Mrs. Truman and Margaret, "from the people of Temple with our love." Mrs. Truman replied: "Thank you so much. They're beautiful."

Mr. Truman joked with Governor Jester and Mr. Skelton as they waited for the long train to move, and just as it did someone inside the car handed him a big white Texas hat. He set it jauntily on his head, stood smiling and waving to the crowd as the train pulled out.

City Marshal Has Busy Week End

Jim McGoldrick, city marshal had a busy week end. He reports the arrest of 3 men for fighting and they paid fines amounting to $15. Three were also arrested for being drunk and paid fines amounting to $15.00 each.

Fred Green, negro, employed at the Ideal Hatchery, was arrested, according to McGoldrick for theft of a sack of feed, Mr. McGoldrick said the negro was fined $63.00.

Mrs. E. L. Taylor has returned from an extended visit with her brother, Fred Sampson of New York. She reported a wonderful visit.

GUARDSMEN GET PAY AND NEW RECRUIT

Approximately seven hundred dollars in checks was distributed to officers and enlisted men of Battery C, 239th Field Artillery Battalion for the most recent pay period on last Tuesday evening, Captain Rudolph Michalka announced this week.

This amount, he pointed out, was in payment for armory drill only. Members of Battery C who attended the Texas National Guard's summer camp at Camp Hood last month received approximately $750.00 in pay there at the close of the encampment.

Capt. Michalka also stated that another enlistment was made in the battery last week. The newest Guardsman is Lawrence B. Michalka, a carpenter's helper, and was sworn in on Tuesday evening.

Betty Jo Small and David Dees Married Here Wednesday

Miss Betty Jo Small and David Dees were married Wednesday, September 22 at First Methodist church with Rev. L. L. Lemons officiating. NEGRO SHOT IN FARM ROW DIED HERE MONDAY

William King, negro, shot Thursday night in a farm row on the Sneed place near Jones Prairie, died early Monday, September 27.

Charges of murder were to be made against James Franklin, another negro, who shot King in the stomach.

King was brought to St. Edwards Hospital for treatment. Physicians were doubtful that he could survive the wound.

Sheriff Carl C. Black who placed Franklin in jail here, said the shooting occured in the early evening at the King home. A number of negroes had been visiting at the house and in the evening some trouble arose over disagreements in a game that was being played. Franklin seized a shotgun and fired one shot which took effect at close range.

Following Franklin's arrest a charge of assault with intent to murder was filed and early Monday it was said the charge would be changed to murder.

Be patient, the Little Daily will be out soon.

FIVE FARM FAMILIES WILL RECEIVE AWARDS

Farm Achivement Day at the Texas State Fair in Dallas is scheduled Wednesday, October 13, according to an announcement by County Supervisor Roy M. Wright of the Farmers Home Administration, and five Milam County families are qualified to receive awards, by paying in full for their farms, and still operating and maintaining them as a home.

The Milam County farmers include the families of Hugh Caffey, Route 2, Thorndale; Frank J. Jahn, Route 1, Burlington; William H. Kohring, Route 1, Holland; Rudolph D. Provazek, Route 1, Cameron, and Henry W. Reddehase, Route 1, Burlington.

The Cameron FHA office has sent invitations to all families who have purchased farms thru FHA, and especially urged them to attend the State Fair on that day. The morning of that day will be devoted to visiting exhibits on the Fair grounds. At 2 o'clock in the afternoon, in the Hall of State, the program is scheduled as follows: Introductions by State FHA Director L. J. Cappleman; presentation of achievement awards by W. M. Burkes, Chief, Farm-Ownership Division; a quartet; "What a Family Type Farm Can Mean," by Walter Cardwell; and the main address by Hon. Marvin Jones, co-author of the Jones-Bankhead, Tenant - Purchase Act, and at present Chief Justice of Court of Claims, Washington.

The Fair is placing special emphasis on agricultural enterprises this year, and are expecting all attendance records to fall before the final curtain is dropped on the 1948 show.

SUSPECT SOUGHT IN MAIL ROBBERY HERE

Sheriff Carl C. Black told The Daily Herald early Friday that Ernest Cooper of Temple, is being sought in connection with a mail sack robbery at the baggage room of the Santa Fe railroad here early Tuesday morning.

Cooper is being sought by Temple officers also. According to Sheriff Black the man is alleged to have stolen a pair of boots and a suit of clothes from Preston Foyte in Temple. The Sheriff said Cooper came to Cameron and sold the suit to a Cameron negro at the depot here.

Sheriff Black said the man is believed to have commited the mail robbery later in the night. He is known to have boarded a bus here for Hearne and requested that he be permitted to leave the bus to catch a train and is said to have hitched a ride on a truck.

Yoelets Knock Off Camp Hood 13 to 7

The Yoelets—B Squad for Cameron, scored early on Hardy Malone's 40 yard run to start off their brilliant show against Camp Hood Thursday night and then went on to win 13 to 7.

The second score occured later on James Kahler's 15 yard smash off right tackle. The Yoelets held on to this lead for the remainder of the game but the Camp Hood boys piled up 7 points.

Standout linemen were Marvin Allen, Bon Stanislaw, Denison Ermis, and Billy Adams. Other backs who looked good were Frank Malone, Bartley Braden and Lee Polansky. Glenn Rosenberg who was brilliant at quarterback called the game. First downs were even with 10 each.

B. Mayes of Maysfield.

Mr. and Mrs. Thomas M. Kirk visited friends and relatives in Austin last week.

SECRETARY MARSHALL IN GRAVE MOOD AT PARIS

Secretary of State George C. Marshall told the United Nations Assembly today that the world is threatened with another war, and he gave Russia a plain warning not to mistake the patience of the United States for weakness.

Marshall pledged that the United States will seek in every possible way to end the presnt tension and uncertainty.

But, he said, it will not compromise essential principles or barter away the rights and freedoms of other peoples.

Marshall spoke at the opening of general debate in the third world assembly of the 58 United Nations He gave the U. N. a complete outline of American foreign policy.

Marshall called for treaties with Japan, Germany and Austria; for settlement of the Palestine, Korean, Greek, Indonesian and Indian-Pakistan problems, for control of automic energy and for world disarmament.

The real keynote of his speech, before this assembly the keynote of which is fear of war, came when he quoted from the U. N. charter, written three years ago: "We the people of the U. N. are determined to save succeeding generations from the scourge of war."

"Three years later." Marshall said, "we are confronted with the need to save not only succeeding geenrations but our own."

15 MILES IS COUNTY SHARE FOR TWO YEARS

John D. Blair of Bryan, District Engineer of the State Highway Department conferred at length with the Commissioners Court Thursday relative to Farm-to-Market Roads.

Among other things, he stated that a total of 116 miles of fram-to-market roads have been set up in his district, which includes 10 counties.

He stated that the road running from San Gabriel to and intersecting No. 36 at Pettibone would perhaps be the farm-to-market road which will be constructed first under the new plan.

Mr. Blair told the court that he had made a personal inspection of this road and according to his measurements it is approximately 15 3-4 miles long and estimated it would cost about $8500.00 per mile.

Commissioners Precinct 1, 3 and 4 have either been completed or are under construction under the old program of farm-to-market road program. Precinct No. 2 was desiginated under the new 2 year program.

Due to the fact that only 116 miles of farm-to-market roads have been allocated to the 10 counties in this district, this will probably be Milam Countys part of the program under the new 2 year set-up.

County Judge Dan Tyson reported the information imparted by Mr. Blair to the Herald.

CALF SHOW BRINGS OUT HIGH TYPE EXHIBITS

Future Farm Boys are setting the pace for better beef cattle in Milam county. They demonstrated their leadership here Saturday in the annual calf show.

The calves were placed on exhibition on the lawn of the court house by special arrangement since the city nor county has not established exhibit buildings.

The show was not extensively advertised but many came to see the exhibit.

Grand champion was shown by Eugene Polzer, a Hereford calf, and was paid $10.00.

Wallace Colburn exhibited the Reserve Champion, and was given the prize of $7.00. His calf was a Black Angus.

Here are the other prize divisions and winners: Hereford class: 1st Eugene Polzer, $5.00; 2nd Ralph Michalka $4.00; 3rd Ann Brock $3.00; 4th Billy Nabours $2.00.

Angus Class: 1st Wallace Colburn $5.00; 2nd Wallace Colburn $4.00; 3rd Charles Sanders $3.00; 4th Charles Sanders $2.00.

The Chamber of Commerce supplied the $45.00 prize fund.

By enlisting in the U. S. Air Force recently, Hollis R. Smith, 17 year old son of Mr. and Mrs. Hugh Smith of 408 E. 9th. st., Cameron, plans to learn airplane mechanics. A high school graduate and three year enlistee, Smith plans to further his education during his current enlistment.

Mr. and Mrs. Leonard Sparks of Munice, Indiana recently visited in the homes of Mr. and Mrs. John Gelner and Mr. and Mrs. Louie Gerick. Mrs. Sparks is the former Cecillia Kubacak, sister of Mrs. Gelner and Mrs. Gerick.

Three Plead Guilty And Pay Fines Here

Ula Mae Joshua entered a plea of guilt for aggravated assault in county court here Thursday and was fined $50 and costs. She was charged with a knife attack on another negro woman.

Lonnie Franklin charged with aggravated assault following a cotton patch fight with another negro near Yarrellton, was fined $75 and costs or a plea that he cut Lonzo Wesley in a quarrel over ice water.

Warren Lockhart, white man from Caldwell, pleaded guilty to carrying a pistol and was fined $100 after he had entered open court to confess before Judge Dan Tyson.

Methodist Girls and Boys To Palestine Lake Encampment

The Intermediates and Seniors of First Methodist visited the Lakeview Encampment near Palestine last Sunday. Morning services were held under the trees with Dr. S. Stephen McKinney delivering the message. About 150 youths attended from the southern region of the Texas Conference, with the Galveston District having the largest delegation.

The group spread their lunches together and enjoyed a period of fellowship. After lunch, Rev. A. D. Lemons, Superintendent of the camp, directed a hike through the lovely woods and around the lake. The local group returned at 5:30.

Those going were: Billy Bob Batte, Ronald Hudson, Andrea Brady, Jo Ann Carter, Joe Wardlaw, Kay Mondrik, Elois McGoldrick, Raymond McCloud, Yvonne Wimberly, Thomas Harrison, Jo Bill Harrison, Charles Kahler, Albert McCullin, John B. Henderson. They were accompanied by Miss Elizabeth Hassler and John B. Henderson. C. W. Cooper drove the bus.

Alvin Meyers, salesman at the Ford Motor Company here, spent Sunday in Dallas with friends.

Another U. S. Air Force enlistee is Ervin R. Lehnert, son of Mrs. R. C. Lehnert of Cameron. A graduate of Yoe High School, he signed up for three years to continue his education.

Relatives and friends have received the message telling of the arrival of a son born to Mr. and Mrs. Robert Sloan Ryan, at St. Mary's Hospital in Galveston on September 9, 1948, who has been named John Robert Ryan.

A recent graduate of high school, Johnnie L. Guercky, Jr., son of Mr. and Mrs. John Gurecky of Cameron has enlisted in the U. S. Air Force to further his education. A three year enlistee, he desires duties as clerk-typist.

G. C. Kirk of Jones Prairie was in Cameron on business Friday.

Mrs. G. T. Hightower and Effie spent last week with Mrs. Dave Angell of Hanover.

TEMPORARY MANAGER NAMED BY CHAMBER

L. G. Smith, manager of the Chamber of Commerce for the past 19 months has tendered his resignation and it has been accepted by the Board of Directors.

Mr. Smith submited his resignation at 2 p. m. Monday to the board. He gave the directors, by previous arrangement, 2 weeks notice. His resignation becomes effective on October 9.

Mr. Smith has been retained as manager of the New Braunfels Chamber of Commerce at a considerable increase in pay over the amount he received in Cameron.

Mrs. Jack Lewis has been appointed temporary manager of the Chamber of Commerce pending the appointment of a permanent manager. Mrs. Lewis has been at the office for some time and is conversant with the details of the office.

Mr. Smith said that he had enjoyed his work in Cameron and feels that much has been accomplished. "I know of no other area in Texas where the possibilities are greater than in the Cameron area. I say this for many good reasons. The great empire of the coast country with its

(continued from page one)

developments makes this area a part of it for we become more important as this industrial unfolding occurs in the Houston area. We must furnish, food and fibre and our opportunities are great. They only need to be developed."

Mr. Smith has made many good friends here and says he will return frequently for visits.

A special committee has been named to secure a new manager: Narvie Caperton, Charles Brady and Henry Siebman.

CAMERON WINS OVER BRENHAM 33 TO 7

Scoring two touchdowns in the first quarter of the ball game and three more in the second half the Yoemen here Friday night, September 24 defeated the Brenham Bulldogs 33 to 7.

Early in the fourth quarter Brenham scored from the Cameron 15 yard line as Gascamp drove off his own right end after a series of passes and sustained drive carried the ball deep in Yoemen territory. Weldon Kruger kicked goal and that was all Brenham could get.

John Matula, half back, was severly hurt in the fourth quarter and had to be carried from the field.

The Cameron scoring punch was set up early in the first quarter when Brenham fumbled the kickoff and Robert Zotz the Cameron right tackle recovered on the Brenham 45. John Matula went around his own right end for 35 yards to place the ball on the Brenham 5. Moseley carried to the one and Matula circled over for the score.

Little John Moseley scored on a 29 yard sprint for the second marker. Louis Absnaider, subbing for Bob Wilkinson at the try for extra points, got 3 out of five tries. Things got tight as the Yoemen began to fumble in the latter part of the second quarter and in the third. Brenham fumbled also. There were 10 fumbles and 10 recoveries in the game.

Howard Beale turned in the thriller of the night with an 85 yard run through the Brenham team with some fine blocking, to score the third touchdown.

In the late third quarter Alton Fuchs, quarterback, shot a long pass to John Moseley on the goal line. The Brenham safety man tipped the ball into the waiting hands of Absnaider who stepped over the goal.

Late in the fourth quarter Beale plowed over from the 4 yard line after a sustained drive down the field to end the scoring for the night.

Kubacak Family Holds Reunion

A reunion of the Kubacak family was held recently at the home of Mr. and Mrs. John Gelner.

A chicken dinner and all the trimmings were served to the following guests; Mr. and Mrs. Leonard Sparks and family of Munice, Indiana, Mr. and Mrs. Joe Kubacak, Sr., and son of San Antonio, Mr. and Mrs. Victor Kubacak of Houston, Mr. and Mrs. Joe Kubacak, Jr., and daughter, Joyce Ann, Mr. and Mrs. Frank Winkler and family, Mr. and Mrs. Fred Gala and family and Mr. and Mrs. Louis Moudy both of Jourdanton and Mr. and Mrs. Charlie Semecek and family, Mrs. Antonia Gelner, and Mr. and Mrs. Louie Gerick and family all of Cameron.

The entire Kubacak family was present with the exception of Vince Kubacak and family who reside in California and were unable to attend.

Clarence Baird of San Gabriel visited with friends in Cameron on Friday and attended to business while here.
